MAKE THE RIGHT CHOICE

BRP's commitment to quality means that every vehicle is engineered to the highest standards of reliability. Nevertheless, a lack of proper maintenance can cause even the best components to fail eventually. **By using original BRP maintenance parts, you are taking care of your investment.**

Recommended periodic maintenance schedule

Going to your BRP dealership for regular maintenance servicing can prevent bigger and more expensive repairs in the long run. Just follow the recommended maintenance schedule. It was designed by experts who understand your ATV / SSV and know exactly how to keep it in top form.
